

Traffic Flow within the School

We continue to closely monitor the parking and traffic arrangements including drop off and collection of children both in the mornings and in the afternoons. The information on this sheet is very important for the health and safety of pupils, staff and parents. Overleaf is a diagram and map to help you understand these arrangements.

There is no vehicular access between 3pm-4pm other than when picking up a sick child or to turn around using the drive-through road. (Please see map on reverse).

Late Club

- From **4.00 p.m.** parents collecting children from the Late Club may use the Sports Hall car park.

At all times

- Disabled parking spaces are available for **disabled permit holders only**. Permits must be displayed at all times.
- Parents must adhere to the directions and instructions of the school's site staff. Instructions of the staff should be treated with due respect.
- **The Prep Gate is for staff access only and should not be used by parents for any reason.**
- **The two school entrances must not be used as turning round areas.**

Pedestrians

- Always use the pedestrian entrance when walking into school.
- **Never walk in or out of school using the vehicle access routes.**

In addition

- If parking on Worsley Road, please make sure the 'School Keep Clear' areas (yellow zig zags) are kept clear between 8.00 a.m. and 5.00 p.m. Parking, waiting and stopping is prohibited. We support traffic officers who penalise any offenders.
- Please do not use residents' driveways for turning.
- Please do not obstruct/block residents' driveways.
- Please do not park parallel to bollards in the middle of the road to narrow the roadway.
- Always strictly adhere to national speed limits on local side roads.

The safety of the children and students at the school is of paramount importance. When driving through the school site a **maximum speed limit of 5 m.p.h.** must be followed. The school reserves the right to refuse entry to any parent who fails to adhere to these rules and this speed limit.

Thank you for your co-operation and support.

Traffic Flow within the School Area

Vehicle Access: (Drop-off zone)

From the motorway, Worsley (M60) - first entrance on left
From Swinton (the A572) - second entrance on right.

Please see reverse for further details.

Pedestrians:

There is a pedestrian entrance near the Prep gates.
