WHERE INDIVIDUALS COUNT

Bridgewater School Uniform Guide

*Integral to building a strong
sense of community, our uniform
symbolises our collective identity
and belonging.*

Fostering integrity, inclusivity and pride

At Bridgewater School we are dedicated to creating an environment where integrity, inclusivity and pride are manifested in our attitudes and aspirations. At the heart of our ethos lies the belief that every individual deserves a range of opportunities that allows them to flourish to the best of their ability, and our school uniform is a reflection of this commitment to excellence.

Integral to building a strong sense of community, our uniform symbolises our collective identity and represents the values we uphold, such as inclusivity and belonging. By setting high expectations for appearance, we help shape the way we view ourselves and each other, fostering a sense of self-respect and integrity. The uniform also instills a sense of pride and unity, helping everyone to feel included and valued.

Within this School Uniform Guide you will find details of uniform items required for each age group, along with guidelines on how to wear our Bridgewater uniform with pride. Thank you for your support in upholding the values that make Bridgewater a place where every student can flourish and thrive.

Setting high expectations

We expect all our students to maintain high standards of presentation and to wear the Bridgewater School uniform with pride.

School uniform should be clean, well-maintained and worn correctly throughout the school day, including travelling to and from school and when representing our school community away from the school site. Shirts should be tucked in and top buttons fastened at all times. Subtle make-up is allowed in Key Stage 4 only. No nail or eyelash extensions are permitted.

To prevent loss, we strongly recommend that all items are clearly labelled with the pupil's name.
